Ok so you have to have a sense of humor about yourself so here are a few funny things I found in my head.
Again click on the images to get the full picture.

Smiley Brain

I dont need to say anymore.The Predator:

Maybe I have an hidden predator in me.Eyeballs:

Well first off there a funny set of eyes :)Snake in my head:

Hmm maybe I have a snake in my head, or for fans of Stargate a g'houl (and no i dont know how to spell it).
